

STEAME Teacher Facilitators Academy

OPEN INVITATION TO A TWO-DAYS EUROPEAN WORKSHOP

9 and 10 October 2025, Athens, Greece

www.steame-academy.eu

Venue: Doukas School, Mesogeion 151, Maroussi, 15126, Athens, Greece

The STEAME-Academy project is co-funded by the European Union to develop various innovations supporting STEAME Project-Based Learning Education. One of the key activities involves the organisation of workshops and roundtable (RT) discussions. **The third European workshop is scheduled for the 9 and 10 of October 2025, with limited number of places.** Teachers from schools and researchers from HE who are interested in participating are encouraged to apply as soon as possible. **Co-funding is available** for participants travelling from at least 100 km away. This funding, based on actual costs, is capped from **30 to a maximum of 200 euros for long travels.** The co-funding for travel expenses will be determined by the event host in consultation with the project coordinator, taking into consideration the distance travelled (in kilometres) from the country of origin.

In addition to the financial support, the project will provide day catering for participants, including coffee and lunch, for both days of the workshop. The co-funding money can be utilised for travel expenses and/or accommodation, particularly for those who may need to stay overnight at a hotel. After acceptance, a proof of booked travel documents may be required to reserve participation. Co-funding payments will be made during or after the event with full programme participation.

The preliminary programme of the workshop and RT is indicated below:

Thursday, 9 October 2025
